EXPERIENCE

GENERAL ASSEMBLY

UX DESIGNER

Seattle, WA
Nov 2016 – Current

Full-time Immersive UX Design program that included 500+ hours of professional training over 10 weeks. I developed Home Improvement DIY App, Re-designed eCommerce site and a project with real client.

CDK GLOBAL

(formerly an ADP Company),

WEB DESIGN SPECIALIST

Seattle, WA
Sept 2012 – Nov 2016

Developed websites for auto dealers like GM, Lexus, BMW, etc., using CDK's content management system. I focused on not just meeting customer requirements but also helped them by advocating good design practices which led to high quality deliverables. I worked as a cross team liason, bridging communication gaps across multiple teams.

KRISANDKATE.COM

WEB DESIGN INTERN

Mercer Island, WA
Mar 2012 – Sept 2012

As an intern I was responsible for creating/editing graphics using Photoshop. Using Magento (an eCommerce platform), I created new products and configured content to display in the front-end. Prioritized tasks to meet daily deadlines for the "deal of the day" page.
